Descriptions:	Designed for individuals focused on advancing their professional careers. This membership is perfect for students, professionals, and career-focused individuals with no organization association, who want to expand their networks, build leadership skills, and access opportunities for personal and professional growth within the community.	Ideal for small businesses ready to expand their reach. Designed for solo entrepreneurs or microbusinesses, this membership gives you exposure in the community, marketing support, and access to events that help you thrive locally and regionally.	Best for growing businesses aiming for broader impact. This level offers more visibility with expanded benefits for two team members. Participate in events, promote your brand, and develop leadership opportunities within the Latino Chamber community.	Tailored for nonprofit organizations, education and government insitutions passionate about community impact. Support your mission while expanding your network. Four team members will gain access to events, marketing tools, and opportunities for collaboration and visibility across the region.	Designed for teams and small companies that want greater flexibility and presence. Enjoy the benefits of a business membership for three individuals under one account. This level offers broader promotional opportunities and access to strategic partnerships through the Chamber.	Built for established companies seeking maximum exposure and leadership roles. Ideal for businesses wanting a premium presence in the community. Four team members enjoy top-tier benefits, including premium event invitations, sponsorship opportunities, and strategic positioning at Latino Chamber events.
Who is a good candidate for this membership level:	Ideal for individuals such as students, professionals, or career-focused members seeking to grow their network and leadership skills.	Designed for independently owned small businesses, freelancers, or home-based businesses looking to expand their community presence.	Best suited for established small businesses with a physical location or client base, including service providers, shops, and specialty companies with 5 - 10 employees.	Created for nonprofit organizations that focus on community programs, cultural initiatives, education, health, or social services within the region with 5 - 10 employees. Larger or national nonprofits won't qualify for this level.	Perfect for small teams, professional firms, or regional offices that want to engage multiple representatives in Chamber activities with 10+ employees	Intended for larger companies, institutions, or regional offices of national brands seeking maximum visibility and leadership opportunities with 15+ employees
